

Your vessel is not being accepted by Customs because likely they do not have the vessel on file. So you need to send the details for the vessel to customs. Send an e-mail msg to [ams.sea.lloyds@dhs.gov](mailto:ams.sea.lloyds@dhs.gov) and request that they add the vessel to the system. Give them the following information:

**Lloyds code (IMO number):**

**Vessel Name:**

**Former name (if known):`**

**Vessel owner:**

**Vessel flag:**

**Official number (call sign):**

**Draft:**

**Gross tonnage:**

**Net tonnage:**

**Carrier SCAC:**

**Your name and Company**
